> . . . Keeping the kitchen stove clean is one of the hardest tasks of the young housekeeper. One easy way to accomplish it is to slip brown paper bags over each hand when polishing the surface. These will keep the bands and finger nails clean and may easily be replaced when soiled. Using a paint brush to apply the blacking to the stove is another good idea, as is easy to reach cracks and crevices with it. Some old housekeepers keep their stoves beautifully clean without blacking, simply by washing them well, once a day, with soap and water.
